Lake Shasta**

Welcome to O'Brien Mountain Inn.

If you are looking for fresh flowers, chocolates, candles, Whirlpool tubs, fireplaces, ironed sheets, antiques, private baths, soft robes, personal patios, lush forest views, and a peaceful atmosphere... We're offering these to you!

So relax, kick back, throw on some Levi's and your favorite shirt. Upon arrival, you may enjoy a glass of complimentary wine and a bowl of homemade dark chocolates.

Think of us as your home base to search out almost any adventure imaginable. Go ahead, beat yourself up. Then come home and relax in your Jacuzzi or take a bubble bath...

Now we have a list of ideas for you... Take a hike, mountain bike, wakeboard, water ski, kayak... find waterfalls... climb Mt. Shasta, Lassen Peak, Castle Crags... snowboard, snow ski, cross-country. There is even plenty of golf... Just have fun!

For those who desire to relax... Listen to some music... Read a favorite book you've brought or choose from our library... Play a game of pool, cards, backgammon, scrabble. Watch a movie... Work on a puzzle... stare at the trees, the birds, the flowers... or maybe you'd like to just take a nap.

We are a B&B in the true California tradition of elegant, yet casual. Our aim is to offer you every comfort and do it with style. Granted it is our style, but we hope you'll enjoy it!
